1. I certify that I am the actual owner of the Dog, or that I am the duly authorized agent of the actual owner of the Dog and that the Dog is not a hazard to persons, property or other dogs.

I understand that myself and/or the Dog may be subject to disciplinary procedures or sanctions for breach of the Rules and agree to respect and be bound by any disciplinary decision made by AAC.

I understand that AAC and/or the Organizing Club may, in the course of administering the Event or conducting its activities generally, collect, use or disclose my personal information and that any personal information collected, used or disclosed by AAC and/or the Organizing Club will be treated in accordance with AAC policy and applicable privacy and personal information laws. I hereby consent to the collection, use and disclosure by AAC and/or the Organizing Club of my personal information.
7. I have been given the opportunity to read and understand the terms of this Agreement before signing it, and have in fact done so. I understand that by signing this Agreement, I am restricting my legal rights and I sign this Agreement voluntarily and of my own free will.

Juniors will run the same courses the other competitors (under the same judge), and will get veteran times. Junior handler Qs are available in all classes at all three levels. A dog running in a particular standard class with a JH cannot also run in the same class for "dog Qs" with a different handler. Qs earned by the JH toward JH titles do not also count toward the dog's title. A dog running with a junior can also be entered in other classes with another handler for Qs that will count toward the dog's titles, but in no case can a dog run the same course twice. (Whether a dog is being entered for JH Qs or dog Qs must be indicated on the entry form.)

Juniors must have their entry waivers signed by a parent or guardian. To earn Qs toward a junior title, juniors must have a junior handler ID card, available for download from the AAC web site (www.aac.ca). Juniors may run different dogs at different trials and have their Qs count toward JH titles, provided they enter as a JH each time. (That is, the Qs accumulate to the handler, not the dog.) Dogs run by juniors for JH Qs can run at one jump height lower than the height at which they normally compete (so, for example, if a dog is over 21" tall and normally competes in specials at 22", he can run at 16" with a JH).
