1. This test is open to all dogs being at least 18 months of age, including purebred and non-purebred, except bitches in season, dogs suffering from any deformity, injury or illness that may affect the dog's physical or mental performance or dogs exhibiting signs of aggression towards people or other dogs.

Class Descriptions

AAC Starters Class: The Starters class shall be for dogs not having earned the Agility Dog of Canada (ADC) title. A dog must achieve three clear rounds under at least two different judges to be awarded the ADC title.

AAC Advanced Class: The Advanced class shall be for dogs having earned the Agility Dog of Canada (ADC) title, but that have not earned the Advanced Agility Dog of Canada (AADC) title. A dog must achieve three clear rounds under at least two different judges to be awarded the AADC title.

AAC Masters Class: The Masters class shall be for dogs having earned the Advanced Agility Dog of Canada title. To be awarded the Master Agility Dog of Canada (MADC) title, a dog must achieve three clear rounds under at least two different judges.

AAC Veterans Classes: Veterans classes are for dogs seven years of age or older, or dogs five years and older who have been competing in Specials agility class for a minimum of one year.

AAC Specials Classes: Specials classes are open to all dogs. Handlers running a dog in Specials will have the option to move into Regular classes once during the dog's career. A switch from Specials to Regular cannot be made mid-trial. Dogs moving into Veterans or Specials from Regular classes take their titles with them.

Games Classes: Games classes are offered to Starters, Advanced and Masters dogs. Progression from one level to the next is as follows:

- Movement into an Advanced Game from a Starters Game requires two qualifying scores in that game at the Starters level earned under two different judges (or completion of one qualifying score in that game prior to January 1, 2009).
- Movement into a Masters game from an Advanced Game requires three qualifying scores in the game or, if earned prior to January 1, 2009, two qualifying scores in the game at the Advanced level under two different judges.

AAC Steeplechase Class: Steeplechase is open to dogs competing at all levels (Starters, Advanced and Masters).

AAC Challenge Class: Challenge is open only to dogs who have completed an AADC and are therefore eligible for Masters Standard courses.

Prizes and Awards

All dogs with a qualifying score will be awarded a qualifying rosette. As well, in each of the Starters, Advanced, Masters and Games rounds, first to fourth place ribbons will be awarded in each height division. Title rosettes will be available for dogs that complete title requirements.

I waive any and all claims that I have or may have in the future against, and release from all liability and agree not to sue AAC, the Organizing Club, Dreamcrest Equestrian Services or any of the directors, executives, committees, representatives, employees, volunteers or agents of either AAC or the Organizing Club (the "Personnel") for any injury, death, property damage or other loss that I, the Dog, or my Related Parties sustain due to any cause whatsoever, including negligence, breach of contract, breach of duty, statutory or otherwise, or mistakes or errors of judgment of any kind.
4. I assume full responsibility for the conduct of myself and my Related Parties during the entirety of the Event. I agree to indemnify and save harmless AAC, the Organizing Club, Dreamcrest Equestrian Services and the Personnel from and against any and all claims that may be made against them or costs, fees, expenses or liability (including, without limitation, lawyers' fees on a solicitor and own client basis) incurred by AAC, the Organizing Club, Dreamcrest Equestrian Services or the Personnel that may arise due to:

I understand that myself and/or the Dog may be subject to disciplinary procedures or sanctions for breach of the Rules and agree to respect and be bound by any disciplinary decision made by AAC.

I hereby consent to the collection, use and disclosure by AAC and/or the Organizing Club of my personal information.
7. I have been given the opportunity to read and understand the terms of this Agreement before signing it, and have in fact done so. I understand that by signing this Agreement, I am restricting my legal rights and I sign this Agreement voluntarily and of my own free will.

Signature: _____ Date: (mm/dd/yy) _____

Parent or Guardian must sign if the Handler is under 18 years of age.

Entry not valid unless Agreement is signed (type in your name for emailed entries), dated and submitted with the correct fee.

Please volunteer to help at our trial. Trials cannot run without the help of volunteers and they run most efficiently when everyone pitches in a little. We greatly appreciate your help, whether it is bar setting, timing, scribing, leash running, gate stewarding.... Well, you get the idea.

No experience is necessary!! If you haven't volunteered at a trial before, no probs -- there are lots of friendly folks that can show you the ropes. Every time you help your name goes in for two draws -- one daily draw for free runs and a draw on Sunday for prizes. Snacks and drinks are provided for helpers.

There will be a volunteer sign-up sheet at the registration table. Be sure to add your name each time your volunteer to be eligible for the Sunday draw. Thanks in advance for helping to make our trial success.

Juniors will run the same courses the other competitors (under the same judge), and will get veteran times. Junior handler Qs are available in all classes at all three levels. A dog running in a particular standard class with a JH cannot also run in the same class for "dog Qs" with a different

handler. Qs earned by the JH toward JH titles do not also count toward the dog's title. A dog running with a junior can also be entered in other classes with another handler for Qs that will count toward the dog's titles, but in no case can a dog run the same course twice. (Whether a dog is being entered for JH Qs or dog Qs must be indicated on the entry form.) Juniors must have their entry waivers signed by a parent or guardian. To earn Qs toward a junior title, juniors must have a junior handler ID card, available for download from the AAC web site (www.aac.ca). Juniors may run different dogs at different trials and have their Qs count toward JH titles, provided they enter as a JH each time. (That is, the Qs accumulate to the handler, not the dog.) Dogs run by juniors for JH Qs can run at one jump height lower than the height at which they normally compete (so, for example, if a dog is over 21" tall and normally competes in specials at 22", he can run at 16" with a JH).
