Covid-19 Health and Safety Protocol

Due to COVID-19 we have had to change many aspects of our daily lives. The same is true for dog training. At Daytripper our goal is to offer private and group training that is as safe as possible. We have been carefully researching and planning; constantly searching for the most current information. We will be complying with the Ontario Government's guidelines regarding the virus.

Below is a non-exhaustive list of changes to our lesson format. This list is subject to change as new information about the virus becomes available.

1. Do not come if you have any of the following conditions:
 - Cough, fever, unexplained new or worsening:
 - Sneezing
 - Shortness of breath
 - Nausea vomiting or diarrhea
 - Muscle aches
 - Fatigue, general malaise
 - Conjunctivitis
 - Loss of smell or taste
 - If you have traveled outside of Canada in the last 14 days. Have an unprotected exposure to a patient with COVID-19 or symptoms consistent with COVID-19. You have been advised to isolate by a Public Health Authority
2. One person per dog preferred. A second family member **from the same household may attend** (#1 above applies).
3. Physical distancing is in effect.
Face masks that cover both their mouth and nose are not mandatory at this time, however, they are appreciated.
4. Sanitize your hands upon entering/exiting the ring. Sanitizer is provided.
5. Please do not use disposable gloves. They are not recommended due to the high risk of cross-contamination.
6. Porta Potty: There will be hand sanitizer on a table outside the porta potty. Please use it before and after using the porta potty and prop the door open after use. We recommend you wear a face mask while in the porta potty.

We understand that these guidelines may seem restrictive and it may be challenging to avoid old habits. We are all adjusting to this new norm. Please know that keeping our students and ourselves safe and healthy is of utmost importance to us.

COVID-19 continues to change our daily lives. If you are registering for class, be sure you are comfortable with our new guidelines and are willing to comply with physical distancing and wearing a mask. We suggest you acclimate your dog to seeing you wearing a mask before class.

Students not complying with these guidelines will be excused from class, in which case no refunds will be given.
